

## One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

### TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family, laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly, printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

## TITLED TAKE VEIL

CONVENT WHERE WOMEN OF ROYALTY TAKE VOWS.

Remarkable Religious Order at Prague Whose Abbess Has Just Become First Lady of the Austrian Court.

A strange anomaly is that of an abbess of a convent becoming the mistress of the imperial court of Austria and the head of society there, but such is the case with the archduchess Maria Annunciata, abbess of the convent for noble ladies, who has succeeded her sister-in-law, the Archduchess Maria Josepha, as first of the archduchesses and first lady of the empire.

Through the death of Archduke Otto his widow, Maria Josepha was compelled to relinquish her high position at court, and it became necessary to choose another archduchess to fill the place which would naturally be occupied by the empress were she living.

To make a selection was somewhat embarrassing, as half a dozen archduchesses were available. Among them was the Archduchess Alice of Tuscany, but she did not care to leave her charming home at Salzburg as much as would be necessary were she to preside over the Vienna court. And so, after much delay, the old emperor selected his niece, Archduchess Maria Annunciata, for the high and responsible dignity.

The Archduchess Maria Annunciata will make a stately and striking figurehead for the gorgeous ceremonials of the Austrian court. Just 30 years of age, she is unusually tall and distinguished looking, with a face which presents more of the Hapsburg racial features than that of any other archduchess.

As a spinster she would not be eligible to preside over the imperial court.

## Don't You Feel Well? Ache All Over?

Feverish? Feel as though your blood was hot? Cold feet? Backache? Those warning signals which indicate that "a bad cold" or a fever is coming on? Don't get discouraged, but go home. On the way, stop in any drug store and get Dr. Pierce's Golden Medical Discovery. When you get home, take a hot bath or a hot foot bath, go to bed, cover up warm—take a dose of the "Golden Medical Discovery," in the morning another dose, and you will feel better. You will not have to continue many doses before you are well. If you still persist in the use of Dr. Pierce's Golden Medical Discovery you will find improvement in your general constitution, appetite and blood—your liver will become active and throw off the poisons from the system.

Get as near to Nature's way as you can. There's a reason. Vegetable foods are usually good for the health. The human economy digests and assimilates them best. In disease, a remedy made up of Golden Seal root, Queen's root, Stone root, Black Cherrybark, Mandrake root and Bloodroot, such as Doctor Pierce's Golden Medical Discovery, is positive yet safe, is assimilated in the stomach and taken up by the blood, therefore it is the most potent means which can be employed for the regaining of lost health.

Microbes snatch at us from every corner. They mean to kill or eat us if they

can. They are formed by millions on everything we eat, drink and wear. The air is full of them. Medical science has proven in the past few years that nearly every disease is a germ disease. Such disease germs enter into the blood in two ways, either through the lungs or stomach. If the blood is pure and rich, the liver and stomach in healthy, active condition, the germs of disease cannot find a resting place there to multiply. Diseases of the lungs, bronchitis and consumption, grip and pneumonia, are very apt to spread through a factory where there is much fine dust in the air. The lungs become irritated and the germs find a fertile field for growth. Extreme weakness, feelings of nervous exhaustion, coughs and colds are the warning signals which should be heeded. One should put the system in the very best possible condition right away. Rid your body of the poisons that are apt to accumulate and your system is ready to ward off the attack of the germs of disease. Doctor Pierce's Golden Medical Discovery makes rich, red blood—by increasing the red blood corpuscles. There is no alcohol in this great tonic to shiver up the red blood corpuscles. An alternative extract, made only of native medicinal roots, it goes about its work in nature's way. Only good can come from its use, as it invigorates and tones the liver into proper action, and feeds the worn-out nerves, stomach and heart on pure blood.

"I am a firm believer in Dr. Pierce's Golden Medical Discovery," writes Joseph Napoleon Herbert, Chairman Board of Relief, of 222 St. Paul Street, Montreal, Quebec. "Find that it has been of practical value to a number of men in my employ. They are especially exposed to inclement weather, and often the colds contracted run into pneumonia, stomach trouble, or kidney and liver disease. However since we have known of the value of Dr. Pierce's Golden Medical Discovery, there is much less sickness, as this medicine seems to keep the blood in a healthy, active condition, and to ward off colds and all other diseases. It is a very fine tonic for a run-down system. I am pleased to acknowledge its worth."

BAD HEADACHES generally arise from bad stomachs. Foul breath, bitter taste, coated tongue, sour eructations or belching of gas, are common symptoms though not all present in every case. To cure, take small doses, only one or two each day, of old Dr. Pierce's Pleasant Pellets, the Original Little Liver Pills, first put up by him over 40 years ago. One or two a laxative, three or four cathartic.
